Letter No. 3288/17.1.1911 from the Dr Comr Mysore Dt.
Submits the administration report of [illegible].

From the Correspondence it is seen that the Chatram, Temple etc were constructed by the late Khajana Bakshi Narasappa at a great cost and that dry lands in the Yedatore Taluk assessed at 60 Varahas (Rs 174-8-9) and 30 Kandies in bijawar extent were recommended to be granted in inam by H.H. the late Maharaja Sri Krishnaraja Wodeyar Bahadur III for their upkeep and the Hon Chief Court was pleased to sanction the recommendation. The Conditions of the grant are:-

(1) That the lands be enjoyed hereditarily,
(2) That any crops be raised on the lands,
(3) That Channels, tanks, Kattes etc, be constructed at his (Bakshi Narasappa's) own cost, that all the crops raised on the lands be enjoyed by him, and that Govt had no concern in it; and
(4) That the usufruct from all trees except Sandal be used for his own benefit.

Bakshi Narasappa seems to have excavated a channel at a cost of about Rs 4000/- for the irrigation of the lands and the lands have been assessed at Rs 6-8-9 per Candy of bijawar.

1/ From the extract of the Inam Register, it is seen that the lands have been treated as Devadaya and that the manager of the Charities

30 The party in his petition dated 5-1-1910 has said that the Chattram building is not properly cared for, that the rents are not properly recovered and that all Brahmins resorting to the Chattram are not fed.

31 It appeared to me that we might with advantage get a report about the management of the Charities. Such a report has now been received. The Deputy Commissioner says that on the whole the management is fair though it is not everything that can be desired. He also adds that the Dharmadarsis are apathetic and that it is due to the exertion of Government officers that the charity has been managed fairly well.

32 From the enclosures to the report it will be seen that in regard to the Mirle lands, the income has been regularly collected without any arrears.

33 As regards Kachonahalli ~~rayal~~, the collection is not so satisfactory.

34 As regards shop-rent also, the collection is not satisfactory.

35 I was told that the shop-keepers want the shops to be repaired before they pay the rent. They also offer to repair if they are allowed to deduct the cost out of the rent. This is a simple matter that can be settled.

36 We might sanction the estimate now submitted, (The Deputy Commissioner, however says that the repairs of the shops are not urgent), and ask the Deputy Commissioner to recover the rent at

3/ It is also found that a total sum of Rs. 8740-2-6 has been collected and a sum of Rs. 7204-10-8 spent. There must thus be money for executing the work provided for in both the estimates. The current year's rent must also have been recovered.

4/ As regards the complaint that all Brahmins are not fed, it must be remembered that the allotment for feeding in the Chattram is only Rs. 30/- a month. The servants perhaps take a meal in the Chattram. If, as admitted in the petition, 5 or 6 persons are fed a day nothing more could be done out of the grant. It may be, as stated in the petition, that the income of the charities was supplemented from the private resources of the donor: but the Deputy Commissioner could not exceed the sanctioned scale.

Sir,

With reference to your docket No. 116 dated 4th September 1909 calling for a report on the petition of N. Krishnaswami Row re the management of the late Bakshi Narasappa's charities at Mysore, I have the honor to state that the scale sanctioned in Government Proceedings No. 4195-6/Mag 7100-92 dated 15th May 1905 is

during the time the institutions were under Government management, that the petitioner Krishnaswami Rao has executed a mutcha-likā to the effect that he will maintain the same scale of expenditure and will also keep the building in such good re-pairs as under Government management.

In these circumstances I am of opinion that the management of these in-stitutions may be handed over to him as proposed by me in my letter No. 47 dated 26th August 1909.

SIR,

In reply to your letter No. 592
Huz. 323-08-8
dated 31st August 1910, I have the honor
to submit herewith a report about the ad-
Administration of the late Mr. Bhakshi
Narasappa's charities in Mysore city since
the date of assumption of their manage-
-ment by Government.

2. From the last para of the report
it will be seen that though the charities have been
fairly well managed during the period,
it was all due solely to the Government
and in no degree to the Dharmadarsis
who

who in Spite of their nomination by Government, have Shewn much apathy in the Supervision of the charities.

3. With a view to ascertain what re-pairs the chattram needed, I inspected it on the 14th January 1911 and an estimate amounting to Rs 172/- for repairing the collapsed and damaged portions is herewith Submitted for favor of early Sanction.

4 Another estimate amounting to Rs 232/- for repairing the Shops attached to the Chattram is also herewith Submitted. These repairs do not appear to be so urgent as the repairs of the Chattram.

5. The heir of the endower, viz, Mr. N. Kri-Shna Sami Rao, is now a major and fully willing to manage the charities. He further agrees to keep them at such Standard of usefulness as Government directs.

6.

As

6. As I am still of opinion that mr. N. Krishnaswami Rao may be safely given the management of the charities, I beg that Government sanction may be obtained to restore the charities and their endowments to mr. Krishna Swami Rao.

7 Government may, however, watch the management of the charities and their endow-ments by mr. Krishnaswami Rao for a period of (2) two years and should there be any room for complaint of mismanagement, steps may be taken to deprive him of the management.

8. The entire records bearing on the subject are herewith submitted for reference.

To,

A. Chandy, Esq., B.A.,

Deputy Commissioner,

Mysore District,

Mysore.

Sir,

I have the honor to invite your kind attention to the following and request you to have the needful done in the matter.

Sachuvanahalli Kavil Yedatore Palak is one of the estates belonging to the Bakshi Baraseppa's Charities. The income of the Kavil has not been collected for the last four years. According to the revenue rules either the Government or the Inamdar has no claim for assessment of more than six years standing. If the Government were to leave in arrears the whole of an Inam Village entrusted to their management for more than six years, they will have to make good the loss.

With my personal influence there is every probability of my collecting all the revenue in arrears. If the Government permit me to collect the revenue of the above Kavil I shall free the Government from the liability of making good the loss which is likely to occur.

Bakshi Baraseppa's Charities have an annual income which is more than sufficient for their up-keep. The arrears of revenue collected from Sachuvana halli Kavil are not required for the maintenance of the Charities.

Therefore I beg to request you to permit me to utilise the amount thus collected for building a dispensary at Nazarbad Mysore or a plot of ground which I have given to the Municipality as a free gift for the above purpose. I hope the Government will be graciously pleased to consider my proposal favourably and enable me to do an act of great public utility.

I have the honor to remain,

Sir

Sir,

With reference to Government proceedings No. 2557-8/Misc.323-08 dated 4-4-1911 in the matter of collecting the arrears of rent due by the Shop Keepers and the Cultivators of Kathonahalli lands &c, prior to the restoration of the charities to Mr. Krishnaswami Row, I have the honor to state that a copy of Government order No. 2523-4/100-92 dated

dated 23-2-1904 in the matter
of taking over under Government
management, the inam lands
in yedatore taluk and the shops
in the mysore city for the maintenance
of the temple and chattram built
by the late Bakshi Narasappa was
sent to the Sub Division officer
Mysore for needful action. No
order however seems to have
been issued by the Sub Division
office to the Amildar of yedatore
in the matter of taking over the
Kachuvanahalli Kaval lands under
Government management and
even

cular the subsequent references
from this office in the matter
of Collecting all the arrears
due from the lands in Yedatore
do not seem to have been noticed
up till now in the Division
officer nor were any orders
issued to the Amildar of
Yedatore to collect the said
arrears viz nearly Rs 6000/- and this
office was quite unaware of this
state of things till Mr. N. Krishna
Swami Row, adopted son of
Mr. Bakshi Narasappa presented
a petition on 11-12-1912 stating
- the arrears of Kadhonahalli

Kawal lands have not been 7, 2

that he will have to make Govern-

may incur by not collecting
the arrears, but that he would
absolve Government from
liability for any loss should the
Collection be entrusted to him
as he hopes to Collect all arrears
by his personal influence. He
further asks permission to utilize
the arrears thus Collected in
building a dispensary as this
Amount ~~was~~ is not required to
Maintain

In these circumstances I beg to suggest that the Charities and the endowment Lands, shops etc taken over by Government under its management with a view to restore it to Mr. Krishna Swami Row on his attaining majority may now be restored to him as already recommended in my letter no: 328 dated 21-1-1911, ~~I am of opinion that~~ & so Mr. Krishna Swami Row himself proposed in his letter (herein enclosed) to discharge Government from all liability from loss caused by neglect in the collection

Collection of arrears I think its acceptance is very desirable in view of the fact that it may not be worth while for Government to undertake the liability that may accrue and the risk of loss that may be caused to Government by undertaking the collection work by Government agency of the arrears of such a long period just on the eve of restoring the Charities to Mr. Krishnaswami Rao.

The favour of immediate orders is solicited as the collection season has begun and as the estate has to be handed over before

are the season closes. The explanations of the Sub Division officers will be called for, further gross negligence, and due notice taken of the conduct of the officials at fault.

I have the honor to be,

The application of ... Viswesvaraya, adopted son of late Rakki ... Naik, ...

Sir,

The management of late Rakki ... Naik's charities temple and Chattram, together with their endowments ... assumed by Government in 1904 provisionally subject to reconsideration when I attained my majority. ... months after I attained my majority I requested Government to restore me the management of the above charities as I observed that they were not in my opinion satisfactorily managed. Pooja was stopped in September 1909 for a few days. The chattram was neglected to such an extent that a portion of it collapsed and it was rebuilt probably from funds derived from endowments. The kist rent was left in arrears to the extent of rupees nearly three thousand and I had to make repeated representations to Government for its collection. Though it is nearly ten years since the Government assumed the management of endowments they have not collected till now any rent due from the cultivators of Kachanahalli lands, four hundred acres of Inam lands. From these I beg to represent that you can infer how the charities are being managed by the Government.

For the last four years and a half I have repeatedly requested the Government to restore me the management of the charities but I have received no definite and favourable reply. Therefore, Sir, I request you to be kind enough to expedite the restoration of the management of the charities to me at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

Mysore

The Chattram and the Shops have been repaired at a cost of Rs 405 and the rents due from the shop-keepers have been to a large extent collected The revenues due from the Kacha-nahalli lands have however been allowed to fall in to arrears owing to a serious omission on the part of the Sub Divl officer to take action in the matter.

2) Mr Krishnaswami Rao however represents that with his personal influence, there is every probability of his collecting the revenue in arrears and prays that the work may be left to him On a careful consideration of all the circumstances of the case, the Govt are pleased to direct that the
